

Congratulations!

You have been accepted into the Steve Harvey Mentoring Program for Young Men.

As one of our selected families, your son will be a part of our mentoring program designed by the Harvey Foundation!

Welcome to the #HarveyFoundation Family!

Included below are the following;

- Information regarding Arrival, On-Site Registration, and Mentoring Camp details.
- Mentoring Program Dates: Thursday, June 16th - Sunday, June 19th, 2022. (Young Men)
- Single Mothers' Enrichment Summit Dates Thursday, June 16th (Day of programming streamed live on Facebook).

Dear Mothers:

The time is fast approaching. We are very excited and look forward to hosting your son at The Steve Harvey Mentoring Camp for Young Men. It is our joy to share this life-changing experience with your son. We have listed instructions below. Our speakers are confirmed; and they are ready to empower, encourage and ignite a fire in each of your sons!

Upon arrival at the Airport, please have your son look for the "Steve Harvey Mentoring Program" volunteers in the baggage claim area. They will be holding a "Steve Harvey Mentoring Program" sign and will escort your sons from the baggage claim area to register for Camp and to the buses to transport them to the campsite. Your son will need to provide our nurse with any prescription medications.

If you have any questions regarding your son's medical concerns and/or accommodations at camp, please contact our resident nurse: **Nurse Rosie at 470-848-8717.**

This year the Steve Harvey Mentoring Camp for Young Men (June 16th-19th) is taking place at Camp Grace (<https://thecampgrace.com>) Room and board will be provided June 16th - June 19th for your sons at Camp.

The Single Mothers' Enrichment Summit on June 16th and June 19th will be streamed online. Mothers who would like to attend in person will be responsible for their own flight and hotel accommodations. **If you will be traveling with your son to Georgia and purchasing your own flight and lodging, please notify Michal Bethea at: michalbethea@gmail.com (678)939-0358.**

As a reminder, everyone is REQUIRED to have a negative COVID test dated 48hrs before June 16, which is the first day of camp. Please note that when you arrive at our meet-up location on June 16, you must bring your negative COVID test card. We suggest you take a picture of it just in case you misplace the original. Temperature checks will be taken onsite; if anyone is symptomatic, onsite testing is required to attend the campsite.
